S.I. No. 49 of 2023

BUSINESS LICENCE ACT, 2023

BUSINESS LICENCE REGULATIONS, 2023

The Minister in exercise of the powers conferred by section 70 of the Business Licence Act, 2023 hereby makes the following regulations —

1. Citation and commencement.

- (1) These Regulations may be cited as the Business Licence Regulations, 2023.
- (2) These Regulations shall come into operation on the 1st day of July, 2023.

2. Interpretation.

In these Regulations —

“independent practitioner” means person licensed under The Bahamas Institute of Chartered Accountants Act, 2015 (*No. 13 of 2015*) who is not connected to the business for which he is preparing a statement of turnover under regulation 5;

“statement of turnover” means a report or audited financial statement prepared by an independent practitioner under regulation 5.

3. Forms of application and licence.

- (1) Every application for a business licence under the Act shall be made in Form A as set out in the *First Schedule*.
- (2) A business licence granted pursuant to section 22 of the Act shall be issued in Form C as set out in the *First Schedule*.

4. Fees.

Fees chargeable in the administration of the Act shall be payable as set out in the *Second Schedule*.

5. Furnishing of statement of turnover.

- (1) Subject to paragraph (2), where a business has a turnover of —
 - (a) two hundred fifty thousand dollars or more but less than five million dollars, its application for renewal of its business licence must be accompanied by an independent practitioner's report on the turnover of the business issued by an independent practitioner in accordance with International Standards on Review Engagements;
 - (b) five million dollars per annum or more, its application for renewal of its business licence must be accompanied by audited financial statements for the previous calendar year issued by an independent practitioner.
- (2) The report and the audited financial statement by an independent practitioner under paragraph (1) must —
 - (a) be consistent with and recognize revenue in accordance with the provisions of the Act, regardless of the method of accounting and the revenue recognition principles ordinarily used by the business in computing revenue;
 - (b) detail the accounting policies adopted by the independent practitioner in recognizing revenue;
 - (c) detail each revenue stream of the business, with specific reference to the components of turnover outlined in the definition of turnover in the Act, and the amounts that relate to each revenue stream;
 - (d) provide a detailed explanation of any deductions from amounts received or receivable by the business;
 - (e) provide a breakdown of the turnover for each business unit included in the statement of turnover;
 - (f) provide details of all related party transactions including the revenue allocated to these transactions.
- (3) Notwithstanding the provisions of paragraph (1), the Secretary may for the purposes of determining the reasonableness or accuracy of the turnover reported by any business in its application for renewal of its business licence, request the submission of any information, documents, or records that the Secretary determines is required to verify the turnover of the business for the previous calendar year.

- (4) Where the Secretary has reason to believe that a report or statement prepared by an independent practitioner is inaccurate, the Secretary may refuse such report or statement and submit a complaint of professional misconduct to the Secretary of the Bahamas Institute of Chartered Accountants.

6. Electronic submission of orders, notices, applications and other documents.

- (1) Where any order, notice, application or other document is required under the Act, such order, notice, application or other document may be —
 - (a) submitted to the Secretary by any electronic means approved by the Secretary; and
 - (b) issued by the Secretary to a person by any electronic means approved by the Secretary or by any other electronic means communicated by the person.
- (2) The proof of service of any document referred to under paragraph (1) may be by means of a return receipt, verification report, automated electronic log or acknowledgement of receipt.

7. Fixed penalties.

- (1) Pursuant to section 57 of the Act, the contraventions prescribed in the first column of the *Third Schedule* are subject to the fixed penalties set out in the third column of the *Third Schedule*.
- (2) Where the Secretary applies a fixed penalty, the Secretary may publish in such manner as he deems appropriate a statement of the contravention or non-compliance in respect of which the fixed penalty is imposed.

8. Procedure for imposition of fixed penalties.

The Secretary may, in determining the amount of a fixed penalty to be imposed on a person who has committed a contravention or non-compliance, take into account the —

- (a) degree of intention or negligence on the part of such person;
- (b) harm done by the contravention or non-compliance;
- (c) history of such person having regard to the imposition of any prior penalty, or conviction for an offence under the Act, within the five-year period immediately before the contravention or non-compliance;

- (d) whether such person brought the contravention or non-compliance to the attention of the Secretary;
- (e) whether or not the contravention or non-compliance was inadvertent;
- (f) efforts, if any, made to rectify the contravention or non-compliance and to prevent a recurrence;
- (g) potential financial consequences to such person, and to third parties including customers and creditors of such person, of imposing a penalty; and
